April Market Report

It was good to welcome new stallholders Komal and Neil with their handmade rugs and hand-bags and have our regular stallholders Julie and Kylie back in their usual spots. Also Gloria and Alan who brought lots of their lovely oranges for the Urban Orchard swap table.

Some of the goods traded were – bread, succulents, mothers day cards, vegie seedlings, herbs, cashew paste, succulent gardens,

laundry liquid, greeting cards, worm wee.

I got caught up in other things and didn't get to the workshop, so no report about this one, but make a note that Stephen will be presenting the next workshop at 21st May market (Winter Pruning which is always popular).

Willunga Market and Balance of trade update

A huge thank you to Sue, Geoff, Kylie, Julie & Susan who all made it to Willunga on Saturday.

It was a wonderful success with over 800 units in sales processed by Adelaide LETS members for the day. This has seen us balance the ratio of trade with LETS South (FLET) and ensured trading can resume as normal.

I do ask, so that we might avoid this situation again in the future that anyone who buys regularly from another exchange make a concerted effort to also sell regularly to that exchange, including listing offers & checking wants where appropriate. Or vice versa if you find yourself regularly selling items outside of Adelaide LETS.

Recommendations for March

Susan Draft Stopper

I love the way my new Draft Stopper stays with the door, no having to move it by hand.
Thank you Susan.

Julienne Cards

Such beautiful cards.
Thank you Julienne

Candice Hand-made soap

Lovely soft soap which holds its shape well.

Naomi Earthing Slippers

Great service from a great Woman with a great product... Thanks Naomi.

Susan Succulents

The succulents I got from Susan are lovely and have new growth already. Thanks!

Naomi Soft shoes (adult)

My feet love these - what more can I say :) It's great that they have a waterproof sole so I don't have to change when I go outside.

Susan Crocheted pot scrubber

Very effective for cleaning dishes and pots. Does not scratch.

Kylie Family history

Kylie has just completed marvellous work on my family tree. I had given her the history as far as my parents had mapped out, she went further to 6 generations of ancestors.

Of greatest interest to me were where people were from before they came to Australia and then when they came. All of great interest. She has amazing skills and knowledge and subscriptions so can gather so much information. She knows where to look and does the detective work brilliantly. Highly recommended.
Thank you Kylie.
